Re: Global Ground Automation Inc. v. GroundRez, LLC
(Civil Action No. 6:08-cv-374-LED-JDL)

Honorable Leonard Davis:

Please be advised GroundRez's assets were acquired by another entity soon after the Final Judgment was entered in this case (but prior to the reopening of this case). The company was subsequently wound down, culminating in the filing of the certificate of cancellation in Delaware. I enclosed a copy of the certified certificate of cancellation, which I just received, for your reference. I note that the effective filing date accorded to the cancellation certificate is Oct. 11, 2010.

I believe the pending summary judgment motion filed in this case has been rendered moot.

Respectfully submitted,

Jason Diaz
